1. As always, it is a pleasure to welcome the Press & public gallery to our Council meeting.
2. I trust everyone enjoyed the Easter week-end break & super weather included. A reminder that Bunnies don't lay eggs, hens do!! Just an observation from an egg farmer.
3. Since our last regular Council meeting, I have had the opportunity to attend Maynard & Roebuck Rec. Assoc. Meetings with the company of our CAO, Mr. Bennett & Committee Chair, Counc. Pakeman. These two Rec. Groups are very active in 2010 planning of activities & building repairs - which is wonderful to see. Such initiative & dedication by township volunteers needs recognition - Just a Great success story.
4. On Mar. 26th., 2010 I was in Merrickville on behalf of the UCLG Warden, to attend the Counties panel series of Economic Development, in particular focused on Small Business. There were some excellent speakers, including the Federal Minister of Tourism & Small Business in the name of the Hon. Rob Moore in addition to our own MP Gord Brown plus our newest MPP Steve Clark.
5. Upcoming events of note are: Sat., Apr. 17th. (that's this coming Sat. - is Treasure Day in Augusta - so anyone in our Twp.who is interested in offering a treasure. Please place it by your driveway & if it is not chosen by someone that day, it is your responsibility to retrieve it). The following Sat., Apr. 24th.,2010 is Amnesty Day at our Landfill sites & we encourage all residents so inclined, to take advantage of this important opportunity.
6. Last Sat., Council & Public Works Mgr., Kevin Hart, toured the municipal roads planned for work this year. These capital road projects & ditching issues will come forward to our next Budget meeting scheduled for Mon., Apr. 19th., 2010 @ 6:30 pm.
7. Our Fire Dept. Hosted a very successful Pancake supper in our expanded & renovated North Augusta Fire Hall on Sat. last.
- 8..A reminder for all of us, is the upcoming Food For All annual Roast Beef Dinner & auction, to take place Sat., May 8/2010 at St. Mark's Parish Centre, Prescott.
